

NALOXONE SAVES LIVES

There has been a recent increase in overdoses and sadly, deaths. The purity of drugs is unknown, and you cannot be certain of what you're taking. Carry Naloxone, it could save a life.

We offer FREE Naloxone

One kit contains 5 doses, if no response after the first 2-3 minutes give a further dose and repeat up to a maximum of 5 times.

For more information call Aspire on: **03000 213900**
